1. Conditions of Participation

- a) Travian Games GmbH (TRAVIAN GAMES) is organizing the “Travian Tournament 2017” (hereafter “Tournament”). Various qualification servers will be available during the qualification round, and each server will be terminated when the game round ends. The final round will start shortly after the end of all the qualification servers. One final server will be available for the final round of the Tournament.
- b) Participation in the Tournament is voluntary.

The winners have to reply to the email address "winners@travian.com". Should no winner reply to the notification emails within 90 days, the win is declared void and a new winner is drawn from the lot.

2. Termination

- a) Players may terminate their participation in the Tournament at any time and free of charge by sending an email to TRAVIAN GAMES (protest@traviangames.com). Participation also terminates by deleting the account.
